# CREATURE SLIME

---

**Description:** Used by many film productions to create a very organic looking effects in scenes where creatures exude body fluid that stretches and moves realistically, Monster Makers' Creature Slime is a very tacky and stringy slime with long threads when pulled.

<h2>PRODUCT FEATURES</h2>
---------------------------

Creature slime is an extra heavy body slime that comes Clear, Blood Red, Black, and Green. Also makes great sticky drool and birthing fluids; just about anything where a highly organic stretchy goo is needed.

All colors can be thinned with water to create a thinner consistency.

**Blood Red:** This is the bloody version of our popular Creature Movie Slime. Excellent for those bloody disgusting Movie scenes.

**Black:** Our black version of our popular Creature Movie Slime. Excellent for those disgusting Movie scenes where you need a black, stretchy Monster Slime.

**Green:** Lastly, our green version of our popular Creature Movie Slime. Excellent for those Alien Movie scenes where your creatures need to slither and slide in a Slimy environment. \

The safety data sheet (SDS) for this or any Monster Makers product should be read before using and is available on request. All Monster Makers products are safe to use if directions are read and followed carefully. **Keep Out of Reach of Children.**
