

MONSTER CAST

2-PART RAPID CASTING PLASTIC

Description: This is an amazing two part casting compound that goes from liquid to a hard, light weight plastic in 2 minutes!

PRODUCT FEATURES

Great for resin kits, but can be used for all kinds of applications. Monster Cast™ pours like water so it will pick up even the finest details.

MATERIAL MIXING INSTRUCTIONS

Can be mixed by eye at a 1:1 ratio and combined with all kinds of fillers to simulate various materials such as wood and marble. Can also be machined, painted and sanded. Best when used in silicone molds. White in color. For applications where water or moisture is present in or against the mold, add Watertrap to eliminate the negative reaction caused by this moisture.

The safety data sheet (SDS) for this or any Monster Makers product should be read before using and is available on request. All Monster Makers products are safe to use if directions are read and followed carefully. **Keep Out of Reach of Children.**
